### Statement of Intent

The Directors of Anaco Systems Ltd, believe that nothing, including production and quality, is more important than the health and safety and fully accept their responsibilities to their employees to ensure, so far as is reasonably practicable, their health, safety and welfare at work, and any other persons who may be affected by the Company's work operations and to:-

- 1** Provide and maintain plant and systems of work which are so far as is reasonably practicable, safe and without risks to health.
- 2** Make arrangements for ensuring, so far as is reasonably practicable, safety and absence of risks to health in connection with the use, handling, storage and transport of articles and substances.
- 3** Provide information, instruction, training and supervision as is necessary to ensure, so far as is reasonably practicable, the health and safety at work of our employees.
- 4** Maintain in a condition that is safe and without risks to health so far as is reasonably practicable, any place of work under our control.
- 5** Provide means of access to and egress from any place of work under our control which is, so far as is reasonably practicable, safe and

without risks to health.

- 6 Provide and maintain for our employees a working environment that is, so far as is reasonably practicable, safe, without risks to health, and adequate as regards facilities and arrangements for their welfare at work.

It is also the policy of the Directors to comply with all relevant legislative duties and to strive to continually improve the health and safety performance of the company and the systems and procedures in place. With this in mind, health and safety objectives shall be compiled on a regular basis using this policy as a framework. Adequate resources shall be allocated to ensure that this policy is continually achieved.

The Directors accept that health and safety are management responsibilities but they depend on the co-operation of all employees to make the policy successful.

It is the duty of all employees to comply with the safety policy at all times, and to act responsibly, and do everything that they can to prevent injury to themselves, other employees and the public at large.

The Directors of the company will monitor the operation of this policy and review the contents as appropriate, but as a minimum, once per year. The organisation and arrangements of this policy will be displayed in the Company Office and work place for inspection by all employees.
